**Pope's July Evangelization Intention:** *Priests and their Pastoral Ministry* - That priests, who experience fatigue and loneliness in their pastoral work, may find help and comfort in their intimacy with the Lord and in their friendship with their brother priests.

July 1 is celebrated as Canada's birthday. Canadians should seek to be witnesses to Christ in Canada and the world, and to continue working to influence those in government to act from Christian principles and attitudes.

Christians, realizing they do not have a lasting home here, should pray and work for justice and peace in Canada and throughout the world, so that all God's people may share in the goods of this earth. God's kingdom will come only when all people are ready to let Christ's teaching guide and rule their lives and actions.
