### A Few Guidelines for Returning to Church

As we prepare to re-open churches, please be aware of the following guidelines. In working to foster a safe environment for all, we thank you in advance for your patience and co-operation.

#### Arriving at church:

Maintain physical distancing at all times - 2 metres (6 feet) from others - in the parking lot, church entrance and in church itself.

Sanitize hands upon entry and regularly wherever possible.

Pews and aisles will be marked to note physical distancing requirements. Families and households living at the same residence may sit together; the same 2 metre (6 ft.) distance should be maintained concerning others. Follow direction of ushers for seating.

Pews will be emptied of prayer books, hymnals, etc. Parish bulletins will not be published at this time.

Holy Water fonts will be empty and not in use at this time.

#### Celebration of the Eucharist:

Other than a cantor or choir appropriately physically distanced, there will be no singing at Mass until further notice.

There will be no offertory procession or collection. Please leave donation in the designated basket upon entry.

Masks/face coverings should be removed prior to reception of Holy Communion and put back on after consumption. The faithful are asked to receive Holy Communion in the hand.

**Following Mass:** Please depart the church so that cleaning may commence. While it is our nature to congregate/socialize in the foyer or parking lot, we ask you NOT to do so at this time. Please maintain physical distancing.

**The Archdiocese has produced a video, How to Return to Mass, that explains the temporary changes to the Mass and ask that all parishioners preview the video. You can watch the video here:**
