Archbishop Leo's Message Re: March for Life 2023

The following is an excerpt from Archbishop Leo's message regarding March for Life 2023.

"During the month of May, we think particularly of our Blessed Mother, who is a constant source of hope and inspiration for all of us. We ask for her powerful intercession and gentle guidance as we face the many challenges before us each day.

In remembering with devotion Our Lady, the Mother of our spiritual family, the Church, it is also fitting that this month we pray for the sanctity of all life. The National March for Life and other local events remind us of our call to build the Kingdom of Christ which includes publicly affirming the sacredness of life from the moment of conception to natural death."

World Communications Day - May 21

Today Catholics are invited to reflect upon the media of social communication (films, radio, television, newspapers, audiovisuals) and how these influence our lives.

The media can promote values that lead to a more fully human society. The Church's ministry is twofold. The media can be used to help promote the Gospel. At the same time, as receivers of the materials presented by the media, the faithful have a duty to support and promote worthwhile presentations on media and reject those which promote values contrary to spiritual growth.

The parish office will be closed on Monday, May 22nd for the Victoria Day statutory holiday.
