# Nefarious

Speak of the Devil

*Includes bonus material*

**Next Sunday,  
October 27th at 3 pm**

*Discipline yourselves; keep alert. Like a roaring lion your adversary the devil prowls around, looking for someone to devour. Resist him, steadfast in your faith, for you know that your brothers and sisters in all the world are undergoing the same kinds of suffering. - 1 Peter 5: 8-9*

The devil is alive and active and one of the biggest lies that has infiltrated the society is that this is simply not true. The movie "NEFARIOUS" has been identified by true Catholic priests who are exorcists as the most accurate depiction of how the devil is able to gain souls. **Please join us to watch this movie and also the very surprising bonus material that gives the viewer a true vision of how evil has entered the world and even affected the creation of this film.**

This movie is not a horror film in the traditional sense. While it is **rated R**, it is not gory, nor does it contain any material such as sex or drug use. There are two scenes that does depict an execution in the prison system and a suicide. The rest is simply dialogue - discussion between a death row inmate and a psychologist.

Please consider joining us for this event next Sunday at 3:00 p.m. Admission is by donation of a non-perishable food item for the WAES food bank.
